Hello, may I speak to \_\_\_\_\_?  
[If the member is not home, speak with the adult].

Hi, my name is \_\_\_\_\_. I'm a volunteer from the union and I'm here to talk to you about the upcoming election.

**Have you decided who you are going to vote for in the presidential election?**

*If Obama... Great! Your union strongly supports Barack Obama for President.*

*Your union also supports Frank Lautenberg for US Senate and Rob Andrews for Congress. Both of these candidates support the Employee Free Choice Act, will provide economic relief to working families, and will find real solutions to fixing our broken healthcare system.*

*Can we count on your support on November 4<sup>th</sup>?*

*If Undecided... OK. A lot of union members have not yet decided.*

*We believe that a vote for McCain is a vote for four more years of the same failed Bush policies. McCain wants to tax your health care and privatize social security. McCain voted*

*If McCain....OK. Do you believe our country is headed in the right direction? (Listen)*

*We respectfully ask that you please consider this information about the candidates.  
Thank you for your time.*
