### Labor Walk Volunteers Needed

With only 50 days remaining before Election Day, the Marist Poll has the Presidential race in New Jersey as a statistical dead heat. Polling reported late last week in Congressional Districts 3 & 7 show these races too close to call. Please provide volunteers for labor walks between 9:00 a.m. - 12:00 noon as listed below. Please commit volunteers and fax this completed form to 609-989-8734.

We look forward to working and winning together!
