

**An Important Message
From The Dedicated

Nursing Home Caregivers**

**Help Us Make Our Voices Heard! ✦ We need *your* support!
Please join us at an informational picket!**

We are nursing home caregivers who provide direct care, nourishment and support services to New Jersey's most frail and elderly. We care for them at the same time we are trying to build a better life for *our* children and *our* families. We love our jobs and we love our residents. Sadly, many of us struggle financially. We have to make hard choices everyday—like choosing between paying the rent, buying groceries or getting medicine for our children.

Good jobs guarantee that nursing home caregivers can take care of our families, while giving quality care to yours.

**That's why have come together in a campaign called, "Voices for Quality Care and Good Jobs-
The Heart of New Jersey".**
