

# WHERE THE CANDIDATES STAND ON SENIORS' ISSUES

## Governor Jon Corzine

*The first Governor in the nation to recognize the urgency of acting now to protect seniors in New Jersey.*

- Expanded “Senior Freeze” Property tax rebates for 70,000 more seniors.
- Protected prescription drug coverage.
- Advanced a long term care initiative to allow thousands of seniors to stay in their homes.
- Expanded state rental assistance money for low income seniors.
- Increased state funding for energy assistance for seniors.

## Chris Christie

*Christie’s plan for seniors can be summarized in three words: “Fend for Yourself.”*

- Has a budget plan that will drive up property taxes for seniors and rob them of critical property tax relief.
- Plans to give tax cuts to big business, endangering important programs like prescription drug programs for the elderly.
- Will reject more than \$450 million in federal funding for health and senior services.
