

VOTE 'NO' On S-2718

Call-in Number: (888) 724-6474

Public employee health benefits must be negotiated not legislated. Senate Bill 2718 seeks to legislate health benefits, undermining the collective bargaining process. We must make elected officials hear our voices on this important issue.

We ask you to please call the toll free number (888) 724-6474 and urge your State Senator to vote "NO" on S-2718.

During your call you will be asked to enter your zip code to be connected to your State Senator's office. The recording will tell you the name of your State Senator.

When you speak to the Senator's staff, ask them to please honor and respect our collective bargaining rights by opposing Senate Bill 2718. Senate Bill 2718 would effectively end our ability to bargain over health care insurance and force public employees, on average, to quadruple the amount they pay for family health care insurance.

Again, please ask them to honor and respect the collective bargaining process and oppose Senate Bill 2718.

In Solidarity,

Charles Wowkanech
President
